Dear Friend,

This is an exciting time for Celebration Community Church! Ever since our first worship service back in September of 2006, the Lord has been preparing us for the day when we could move into our own home at our property on Celebration Place. That time is right around the corner. The plans for our first phase on the land are now complete and ready to become reality. Our hope is to move onto the property by the end of this year. Imagine what God might do in and through our church with space dedicated for worship, community, discipleship, and strategic recreation! Besides providing us with a more permanent place to grow as a family, we believe that our future facility can be leveraged for broader proclamation of the Gospel, transformation in our community, and the expansion of Christ's Kingdom.

We are looking beyond just a building. We are looking beyond ourselves to those who will embrace Jesus Christ through the ministry of Celebration Community Church. We are asking God to do something beyond what we could imagine! Beginning on Sunday, February 6, we will spend five weeks focusing on the future mission and vision of our church in a teaching series and campaign entitled, *BEYOND*. During those weeks, we will address how a facility fits into our vision and what it will take to get there. On Sunday, March 6, as part of a worship celebration on our property, everyone in our church will be given the opportunity to make a 3-year faith promise to give toward our future facility. Please plan now to be a part of this Commitment Sunday, and let's prayerfully anticipate the amazing things God will do!

But what exactly *will* it take for us to move forward on the facility? In order to best answer that question and all the other questions related to our future facility, we have planned a number of informational home meetings that will take place during the week of February 6. **We want to encourage you to attend any one of these meetings that most conveniently fits your schedule.** They will last only one hour, and we are working towards providing childcare at every gathering. Meetings will include the most up-to-date information on our building plans, costs, and goals for the *BEYOND* campaign, presented by a pastor and a member of the facilities team. You will also receive a packet of information that you can take home and review as a family. This packet includes a pledge card that you will complete as the Lord leads and then bring with you to Commitment Sunday on March 6. After each meeting, you are welcome to stay and ask any questions that were not adequately answered during the presentation.

In the week following these informational meetings, we will be launching a new website dedicated to our *BEYOND* campaign. You will be able to find a link to this site on the front page of celebrationcommunitychurch.com. That site will include most of the material discussed and distributed during the home meetings. If you have any questions related to these upcoming information meetings, please feel free to email us at info@celebrationcommunitychurch.com.

We hope that you are excited along with us about the future of Celebration Community Church! Will you please join us in prayer as we prepare for the *BEYOND* series in the coming weeks, and especially for our facilities team as they move forward with construction plans and decisions? And remember to mark your calendars for March 6, 2011. This will be a memorable day in the life of our church, as well as a day to dream about the further expansion of Christ's Kingdom in Celebration, Central Florida, and the whole world!

for His glory,
